AMERICA, THE BEAUTIFUL

O beautiful for spacious skies, For amber waves of grain, For purple mountain majesties Above the fruited plain. America! America! God shed his grace on thee, And crown thy good with brotherhood From sea to shining sea!	O beautiful for glorious tale Of liberating strife, When valiantly for man's avail, Men lavished precious life. America! America! May God thy gold refine, Till all success be nobleness, And every gain divine!
